Electronic & Electrical Engineering

➤ **Electrical And Electronic Engineering > Electrical Technology > Electrical Fundamental**

**Electric Technology Experimental
Equipment**
Part Number 0203000001

Basic Circuit Training System
Part Number 0203000002

**Fundamentals Of Electronics Experimental
System**
Part Number 0203000101

Electrical Trainer
Part Number 0203000102

Electrical Engineering Training System
Part Number 0203000105

Electric Technology Experimental System
Part Number 0203000200

➤ **Electrical And Electronic Engineering > Electrical Technology > Electrical Fundamental**

**Electric Technology Experimental System
Part Number 0203000201**

**Electrical Control Training System
Part Number 0203000202**

**Instruments & Illumination Training System
Part Number 0203000203**

**Electrical Instrument Training & Examining
System
Part Number 0203000300**

**Instrument & Lighting Circuit Training &
Examining Equipment
Part Number 0203000301**

➤ **Electrical And Electronic Engineering > Electrical Technology > Motor And Drive**

**Universal Electrical
 Engineering & Electronics & Electric Traction
 Trainer**
Part Number 0203010000

**Electrical Engineering & Electronics & Electric
 Traction Trainer**
Part Number 0203010001

**Motor, Electric Traction And Electrical Control
 Trainer**
Part Number 0203010002

Electric Machines & Drive Training System
Part Number 0203010003

**Electrical Machinery & Electrical Technique
 Experimental Equipment**
Part Number 0203010100

**Electrical Machines & Electrical Technique
 Experimental System**
Part Number 0203010101

➤ **Electrical And Electronic Engineering > Electrical Technology > Motor And Drive**

Motor Control Circuit Training Equipment

Part Number 0203010200

**Power Electronics & Motor Control
Experimental System**

Part Number 0203010201

**Power Electronics & Motor Control
Experimental Equipment**

Part Number 0203010202

**Electrical Measurement & Control Technology
Synthetic Experimental Platform**

Part Number 0203010203

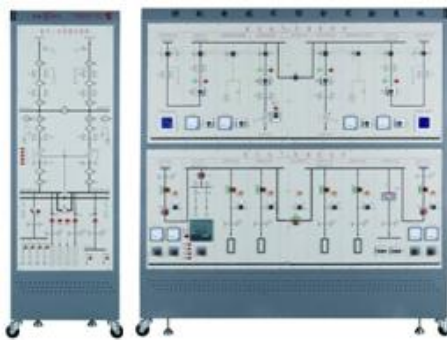

**Motor Installation And Test Training
Equipment**

Part Number 0203010200

➤ **Electrical And Electronic Engineering > Electrical Technology > Power Supply And Distribution**

Power Distribution Synthetic Experimental System
Part Number 0203020000

Power Supply And Distribution Synthetic Training System
Part Number 0203020001

Architectural Power Supply And Distribution Training System
Part Number 0203020002

Electric Power Automation Instrument Training Platform
Part Number 0203020100

➤ **Electrical And Electronic Engineering > Electrical Technology > Power Supply And Distribution**

**Factory Power Distribution Synthetic Automation Training System
Part Number 0203020101**

**Factory Power Distribution Synthetic Automation Training System
Part Number 0203020102**

**Power Synthetic Automation Experimental Platform
Part Number 0203020103**

**Power System Monitoring Experimental Platform
Part Number 0203020104**

**Electrical Equipment And Secondary Part Training & Examining System
Part Number 0203020200**

**Power System Relay Protection System
Part Number 0203020201**

➤ **Electrical And Electronic Engineering > Electrical Technology > Power Supply And Distribution**

Microcomputer Line Protection Set
Part Number 0203020202

Microcomputer Generator Main Protection Set
Part Number 0203020203

Microcomputer Generator Reserve Protection Set
Part Number 0203020204

Main Micro-Based Computer Type Transformer Protection Measurement & Control Device
Part Number 0203020205

Backup Micro-Based Computer Type Transformer Protection Measurement & Control Device
Part Number 02030202006

Micro-Processor Based Capacitor Protection, Measurement And Control Device
Part Number 0203020207

➤ **Electrical And Electronic Engineering > Electrical Technology > Power Supply And Distribution**

Microcomputer Based Plant Transformer Protection Set
Part Number 0203020208

Microcomputer Based Reactor Protection Set
Part Number 0203020209

Microcomputer Based Electrical Motor Protective Device
Part Number 0203020210

Relay Protection Test
Part Number 0203020211

High-Frequency Switching Dc Supply System
Part Number 0203020212

Analog Circuit Breaker
Part Number 0203020213

➤ **Electrical And Electronic Engineering > Electrical Technology > Power Supply And Distribution**

**Substation Automation System
Part Number 0203020214**

**Power Electronics Training System
Part Number 0203020217**

➤ Electrical And Electronic Engineering > Electrical Technology > High Voltage Technology

Oil-Filled Testing Transformer
Part Number 0203030000

Partial Discharge Tester
Part Number 0203030100

Dc Hv Generator
Part Number 0203030200

Precise Dielectric Loss Tester
Part Number 0203030300

Digital Hv Meter
Part Number 0203030400

Moa Hot-Line Tester
Part Number 0203030500

➤ **Electrical And Electronic Engineering > Electrical Technology > High Voltage Technology**

Insulating Oil Dielectric Strength Tester
Part Number 0203030600

Digital Insulation Resistance Meter
Part Number 0203030700

Digital Earth Resistance Tester
Part Number 0203030701

Loop Resistance Tester
Part Number 0203030702

Dc Resistance Quick Tester
Part Number 0203030703

Ratio Group Polarity Integral Tester
Part Number 0203030800

➤ **Electrical And Electronic Engineering > Electrical Technology > High Voltage Technology**

Lv Power Distribution Cabinet
Part Number 0203030900

Hv Switch Cabinet
Part Number 0203031000

Electrical Digital Magneto-Ohmmeter
Part Number 0203031100

Hv Switch Performance Characteristic Tester
Part Number 0203031200

Mutual-Inductor Characteristic Integral Tester
Part Number 0203031300

➤ **Electrical And Electronic Engineering > Electronic Technology > Analog And Digital Technology**

Analogy Circuit Experiment Case
Part Number 0203100000

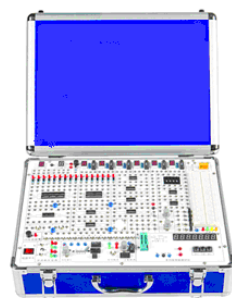

Analog Circuits Synthetic Experimental System
Part Number 0203100001

Analog Circuit Training System
Part Number 0203100002

Digital Circuit Experiment Case
Part Number 0203100100

Digital Logic Circuits Experimental System
Part Number 0203100101

Digital Circuits Synthetic Experimental System
Part Number 0203100102

➤ **Electrical And Electronic Engineering > Electronic Technology > Analog And Digital Technology**

DIGITAL CIRCUIT TRAINING SYSTEM

Part Number 0203100103

Analog/Digital Electronics System Experiment Equipment

Part Number 0203100200

Digital-Analog Circuit Training System

Part Number 0203100201

Electronics Synthetic Experimental System

Part Number 0203110000

Electronics Synthetic Experimental System

Part Number 0203110001

Electronic Trainer

Part Number 0203110100

- **Electrical And Electronic Engineering > Electronic Technology > Analog And Digital Technology**

Training Platform Of Integrated Electronic Design

Part Number 0203110103

- **Electrical And Electronic Engineering > Electronic Technology > Electronic Fabrications Technology**

Electronics Product Technics Training System

Part Number 0203120000

- **Electrical And Electronic Engineering > Electronic Technology > High Frequency Electronics**

High-Frequency Electronic Circuits Experimental System

Part Number 0203130000

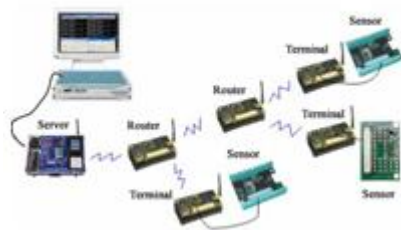

➤ **Electrical And Electronic Engineering > Electronic Technology > Sensor Technology**

**Sensor System Synthetic Experimental
Equipment
Part Number 0203140000**

**Sensor & Inspection Technology Trainer
Part Number 0203140001**

**Wireless Sensor Network Experimental System
Part Number 0203140002**

➤ **Electrical And Electronic Engineering > Programmable Technology > Processor Technology**

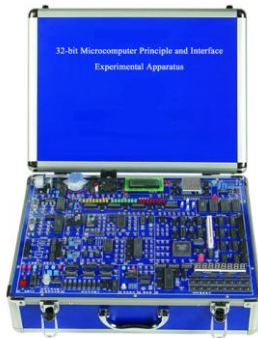

Microprocessor & Interface Training System

Part Number 0203200300

Advanced Microprocessor & Interface Training Synthetic

Part Number 0203210000

32-Bit Microcomputer Principle And Interface Experimental System

Part Number 0203210100

Experimental Box Of Computer Organization

Part Number 0203210101

Computer Composition Principle Experimental Apparatus

Part Number 0203210102

Mcu Development Synthetic Experimental System

Part Number 0203220001

➤ **Electrical And Electronic Engineering > Programmable Technology > Processor Technology**

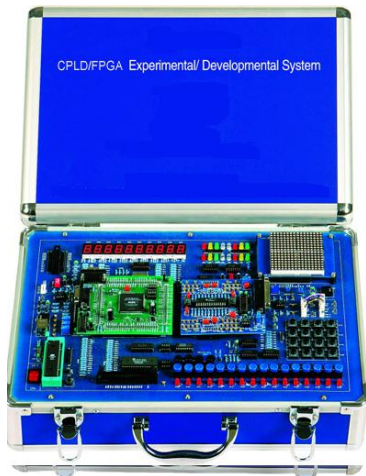

**Single-Chip Microcomputer Trainer
Part Number 0203220100**

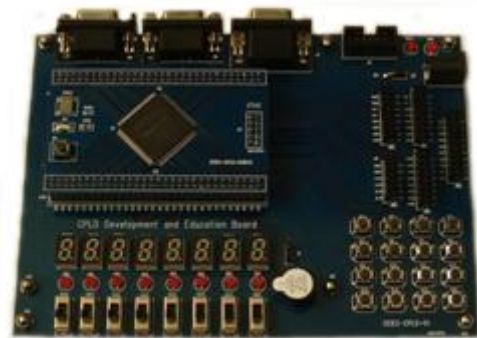

**Pic-Avr Comprehensive Lab System
Part Number 0203220101**

➤ **Electrical And Electronic Engineering > Programmable Technology > Cpld/Fpga Technology**

**CPLD/FPGA Experimental/Developmental
System
Part Number 0203230000**

**CPLD Developing And Teaching Platform
Part Number 0203230001**

➤ **Electrical And Electronic Engineering > Control Technology**

Process Control System Trainer
Part Number 0203300001

Process Control Experimental Equipment
Part Number 0203300002

Process Control Experimental System
Part Number 0203300003

Process Control Training System
Part Number 0203300004

**Control Theory Computer-Based Control
Technology Experimental System**
Part Number 0203300100

**Control Theory • Computer Control Technology
Experimental System**
Part Number 0203300101

➤ **Electrical And Electronic Engineering > Industrial Control**

**Industrial Production Process Control Training
Simulation System
Part Number 0203310000**

**Industrial Synthetic Automation Control
Training System
Part Number 0203310001**

**Dcs Distributing Process Control System
Part Number 0203310100**

**Thermal Engineering Automation Process
Control Training System
Part Number 0203310200**

➤ **Electrical And Electronic Engineering > PLC Technology**

**Plc Trainer
Part Number 0203330000**

**Programmable Logic Controller Lab System
Part Number 0203330001**

➤ **Electrical And Electronic Engineering > PLC Technology**

Programmable Logic Controller (Plc) Training System

Part Number 0203330002

➤ **Electrical And Electronic Engineering > Fieldbus Technology**

Field Bus Process Control System

Part Number 0203340000

**Advanced Field Bus Process Control Objective
System Experimental System**

Part Number 0203340001

➤ **Electronic & Electrical Engineering > Household Appliances**

Household Electric Appliance Trainer

Part Number 0203400000

Household Electrical Appliance Audio & Video Trainer

Part Number 0203400001

Household Appliance Sound/ Image Maintenance Skill Training & Examining Equipment

Part Number 0203400002

Household Appliance Sound/Image Maintenance Skill Training & Examining Equipment

Part Number 0203400003

I2c Bus-Controlled Tv Principle & Skill Training System

Part Number 0203400100

Intelligent Household Control System Experimental Equipment

Part Number 0203410000

➤ **Electronic & Electrical Engineering > Household Appliances**

**Automatic Washing Machine Maintenance
Skill Training & Examining Equipment
Part Number 0203420000**

➤ **Electronic & Electrical Engineering > Telecommunication > Telecommunication Principles**

**Modern Communication Principle And
Technology Experimental System
Part Number 0203500000**

**Modern Communication Principle &
Technology Experimental System
Part Number 0203500002**

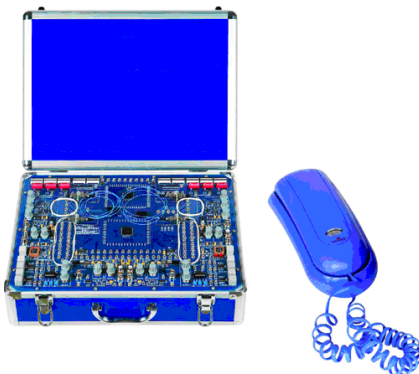

➤ **Electronic & Electrical Engineering > Telecommunication > Telecommunication Technology**

Mobile Communication Experiment Case
Part Number 0203510000

**GSM/CDMA Mobile Communication Terminal
Experimental System**
Part Number 0203510001

**2-Way Optical Fiber Communication
Transmission System Experimental System**
Part Number 0203510100

**2-Way Optical Fiber Communication
Transmission System Experimental Apparatus**
Part Number 0203510101

**Satellite Communication Receiving Technology
Training System**
Part Number 0203510200

**Microwave And Rf Communication Synthetic
Experimental System**
Part Number 0203510300

➤ **Electronic & Electrical Engineering > Telecommunication > Telecommunication Technology**

**Communication Terminal Experimental
Platform
Part Number 0203510400**

**3g Multimedia Intelligent Mobile Phone
Experimental System
Part Number 0203510401**

**Communication Channel Experimental System
Part Number 0203510500**

➤ **Electronic & Electrical Engineering > Telecommunication > Rf Technology**

**Microwave Communication & Antenna
Principle Experiment Teaching System
Part Number 0203520001**

**Microwave And Rf Communication Synthetic
Experimental System
Part Number 0203520003**

➤ **Electronic & Electrical Engineering > Telecommunication > Program Controlled Exchange**

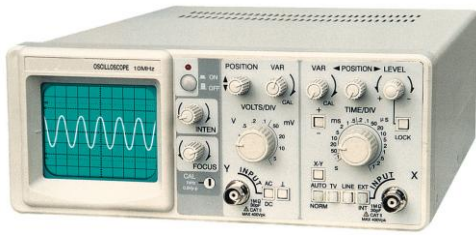

**Modern Stored Program Controlled Change
Experimental System
Part Number 0203530000**

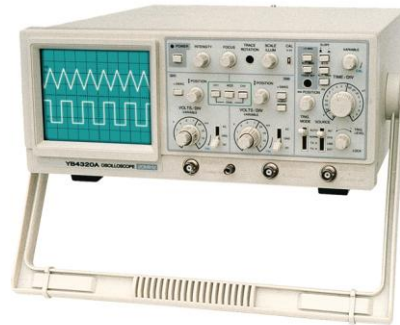

**Modern Stored Program Controlled Change
Experimental System
Part Number 0203530001**

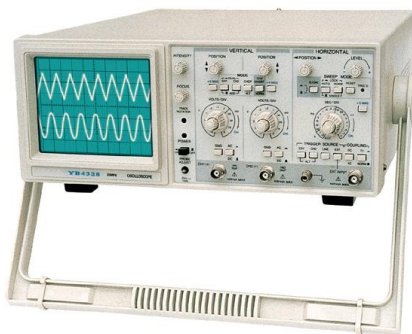

➤ **Electronic & Electrical Engineering > Electronic Instrument > Oscilloscope**

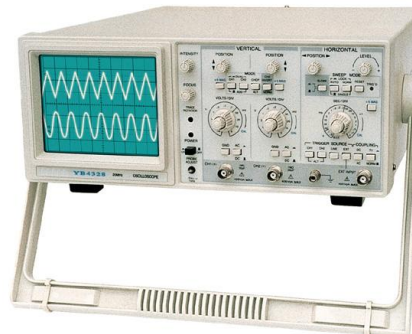

Oscilloscope
Part Number 020360002

Oscilloscope
Part Number 020360003

Oscilloscope
Part Number 020360004

Oscilloscope
Part Number 020360005

Oscilloscope
Part Number 020360006

Oscilloscope
Part Number 020360007

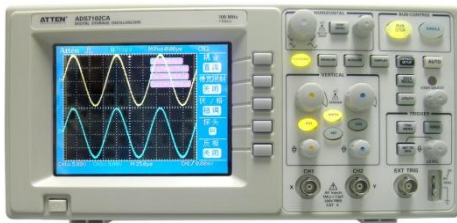

➤ **Electronic & Electrical Engineering > Electronic Instrument > Oscilloscope**

Oscilloscope
Part Number 020360008

Digital Storage Oscilloscope
Part Number 020360009

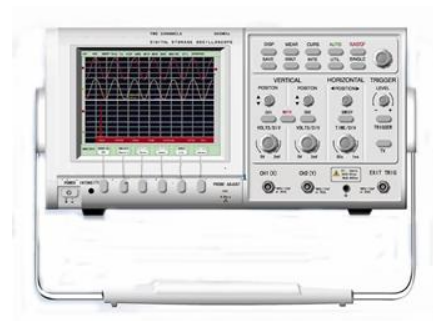

Digital Storage Oscilloscope
Part Number 020360010

Dual Channel Oscilloscope
Part Number 020360011

Handled Digital Storage Oscilloscope
Part Number 020360012

Bandwidth Digital Storage Oscilloscope
Part Number 020360013

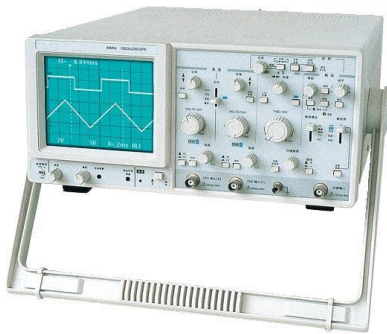

➤ **Electronic & Electrical Engineering > Electronic Instrument > Oscilloscope**

Oscilloscope
Part Number 0203600014

Digital Storage Oscilloscope
Part Number 0203600016

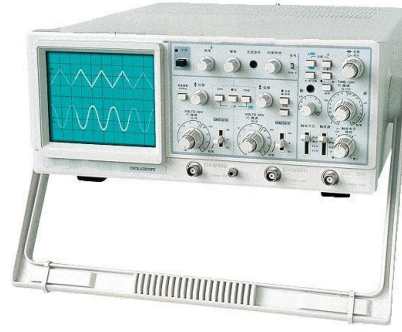

Crt-Readout Oscilloscope
Part Number 0203600017

Universal Oscilloscope
Part Number 0203600018

Double Time-Base Oscilloscope
Part Number 0203600019

Dual Time Base Oscilloscope
Part Number 0203600020

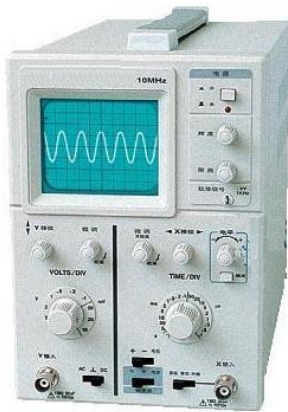

➤ Electronic & Electrical Engineering > Electronic Instrument > Oscilloscope

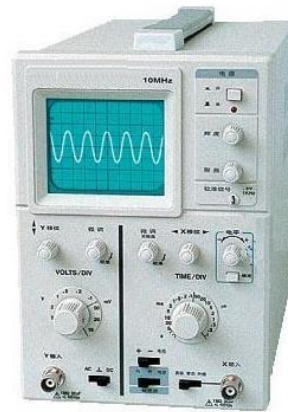

Handheld Digital Storage Oscilloscope
Part Number 0203600021

Dual Trace Oscilloscope
Part Number 0203600022

Oscilloscope
Part Number 0203600023

Oscilloscope
Part Number 0203600024

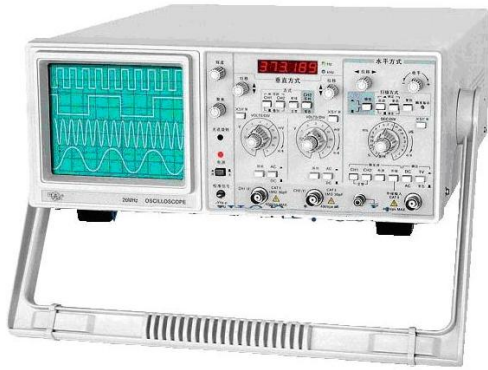

Portable Digital Storage Oscilloscope
Part Number 0203600025

Dual Trace Oscilloscope
Part Number 0203600026

➤ **Electronic & Electrical Engineering > Electronic Instrument > Oscilloscope**

Dual Trace Oscilloscope
Part Number 0203600027

Small Scale Oscilloscope
Part Number 0203600028

Dual Input Four Trace Oscilloscope
Part Number 0203600029

➤ **Electronic & Electrical Engineering > Electronic Instrument > Signal Generator**

Lf Generator
Part Number 0203610000

Rf Generator
Part Number 0203610001

Signal Generator
Part Number 0203610002

Function Generator
Part Number 0203610003

Function Generator
Part Number 0203610004

Dds Function Waveform Generator
Part Number 0203610005

➤ **Electronic & Electrical Engineering > Electronic Instrument > Signal Generator**

Gsm Servicing Rf Signal Generator
Part Number 0203610006

Cdma Servicing Rf Signal Generator
Part Number 0203610007

Rf Signal Generator
Part Number 0203610008

Function Generator
Part Number 0203610015

Arbitrary Waveform Generator
Part Number 0203610016

Function/Arbitrary Waveform Generator
Part Number 0203610017

➤ **Electronic & Electrical Engineering > Electronic Instrument > Signal Generator**

Function Generator
Part Number 0203610018

Function Signal Generator
Part Number 0203610019

Function Signal Generator
Part Number 0203610020

High Frequency Signal Generator
Part Number 0203610021

Dds Signal Generator
Part Number 0203610022

➤ **Electronic & Electrical Engineering > Electronic Instrument > Power Supply**

Power Supply
Part Number 0203620000

Power Supply
Part Number 0203620001

Power Supply
Part Number 0203620003

Power Supply
Part Number 0203620005

Power Supply
Part Number 0203620007

Maintenance Power Supply
Part Number 0203620010

➤ **Electronic & Electrical Engineering > Electronic Instrument > Power Supply**

**High Precision Regulated Dc Power Supply
Part Number 0203620011**

**Low Ripple Cv, Cc Digital Display Power Supply
Part Number 0203620012**

**Dc Regulated Power Supply
Part Number 0203620013**

**Dc Stabilized Power Supply
Part Number 0203620014**

**Power Supply
Part Number 0203620015**

**Maintenance Power Supply
Part Number 0203620016**

➤ **Electronic & Electrical Engineering > Electronic Instrument > Power Supply**

Power Supply
Part Number 0203620017

One-Channel Dc Power Supply
Part Number 0203620018

High-Performance Full-Automatic Ac Regulated Power Supply
Part Number 0203620019

Dual Output Dc Regulated Power Supply
Part Number 0203620020

Triple Output Dc Regulated Power Supply
Part Number 0203620021

➤ **Electronic & Electrical Engineering > Electronic Instrument > Testing Instruments**

Graphic Tester
Part Number 0203630000

Ac Millivolt Meter
Part Number 0203630100

Ac Millivolt Meter
Part Number 0203630101

Advanced Millivolt Meter
Part Number 0203630102

Advanced Millivolt Meter
Part Number 0203630103

Ac Millivoltmeter
Part Number 0203630104

➤ **Electronic & Electrical Engineering > Electronic Instrument > Testing Instruments**

Ac Millivoltmeter
Part Number 0203630105

Multifunction Counter
Part Number 0203630200

Universal Counter
Part Number 0203630201

Universal Counter
Part Number 0203630202

General Counter
Part Number 0203630203

Spectrum Analyzer
Part Number 0203630300

➤ **Electronic & Electrical Engineering > Electronic Instrument > Testing Instruments**

Spectrum Analyzer
Part Number 0203630301

Spectrum Analyzer
Part Number 0203630302

Spectrum Analyzers
Part Number 0203630303

Spectrum Analyzers
Part Number 0203630304

Desk-Top Digital Multimeter
Part Number 0203630400

Electronic Leak Detector
Part Number 0203630500

➤ **Electronic & Electrical Engineering > Electronic Instrument > Testing Instruments**

Optical Power Meter
Part Number 0203630600

Optical Power Meter
Part Number 0203630600

Optical Power Meter
